Customer Pickup Release Form

I, _____, state that I, or other parties that I have permitted, will be picking up my stone(s) once the project has reached completion.

I understand that there is no definitive timeframe for the completion of the project. Any dates or times given are strictly estimated and are not guaranteed by Atlantic Granite.

I understand that once Atlantic Granite has informed me of the completion of my project, **there will be a five (5) 'business' day grace period for me to pick up my pieces. After the said grace period, if I have not yet paid my remaining balance will do so accordingly. After the allotted time, if payment is not received by Atlantic Granite, 10% of the new remaining amount will be added each day to the invoice.** Atlantic Granite is also not responsible for the care, functionality, and state of the stone(s) following the same grace period.

I understand that once the stone(s) have been placed into my vehicle, Atlantic Granite no longer holds any liability for any functionality or condition of the stone(s), and I, or other parties that I have permitted, are solely responsible for the care, functionality, and state of the stone(s) while transporting the stone piece(s).

I understand that once the stone(s) are in my possession, I am responsible for all care and repairs the stone may require (sealing (natural stones only), fixing a crack/chip/scratch/seam, etc.).
